

White Pond is gearing up to open for Saturday June 20th but before we open there are some updates to share.

- Governor's order for Social Distancing and Face Covering when social distancing is not possible will be in place (exception for swimming)
- Beach is available to MEMBERS only, no guests.
- Members must pre-reserve a beach location and time for their visit. Reservations can be done four days in advance and are limited. Each reservation will be for a specific location and time period (typically 2 hour and 45 minutes). NO reservations are allowed to be made on-site, even if there are open beach locations. Please do not show up to beach without a reservation time.
- Please abide by walking paths on the beach, which ensures a 12 foot distance between beach towel locations.
- Reservations can only be for members of your household.
- No physical passes will be issued in-order to reduce transaction and touch points. The beach staff will approach your reserved beach location and verbally check in all your family members.
- No swim lessons will be available this summer.
- The raft/dock will not be available.
- Membership cards will not be printed for summer 2020.
- PLEASE STAY HOME IF YOU ARE SICK, HAVE A FEVER, ETC...

NOTIFICATIONS

White Pond will use text messaging to send important alerts and updates. Please make sure your account on MyRec is updated with a current cell phone under mobile notifications.
